WELCOME

Welcome everyone to the new season. Today's Champs Premier League & Capital 1 game's sees the Bay facing Karori. Then on Monday there are tough away games v Marist & North Wgtn respectively.

Big news for 2010 is that our neighbours Brooklyn Northern United are going to be sharing our clubrooms this season. So we look forward to a packed club and buzzing atmosphere this winter. Please make them welcome.

Rod Lawson and his company Cool Moves have been great supporters of the Bay in recent years and this season they have become 1st team and the club's principal sponsor. If you are looking at moving house/flat/premises then give Rod a call or check out www.coolmoves.co.nz IBU members get a discount Mon-Thu.

The club is very fortunate to have such a sponsor. Please support Cool Moves and all sponsors mentioned in this programme or on our website. If you are interested in supporting the club in anyway please feel free to approach one of the committee members.

The club is fielding 16 senior teams. The junior club has close to 480 juniors including 140 plus 5-7 year olds participating in our Saturday morning PDP.

The Island Bay men's first team lost last weekend in the final of the Hilton Petone pre season tournament to Petone 1-3. The Bay defeated Miramar, Stop Out & Olympic on the way to the final. An encouraging start to the year and hopefully this form can be carried on into the season.

We're looking forward to an entertaining day of football and we hope to see the players and supporters of both sides in the clubrooms afterwards.

AWFUG

Kia ora all and welcome back to Shark Park, also known as Wakefield Park for the 2010 football season.

A Word From Gúnez (AWFUG) is back, with our mighty former mulleted and 400+ capped President Sir Paul Muollo insisting on its return. Well that and no one else has volunteered yet!

We welcome Shaun 'gilly' Gill and his magpies from Karori this weekend in the opening fixture of the 2010 Champs Premier League. Always keenly contested affairs, Wharfies will likely be promotion contenders this season.

This year, a number of changes have come about both on and off field. Capital Football (CF) have withdrawn the ruling last year stating no new men's teams can be entered, and on the back of a bumper year for football in our nation, and in particular here in Wellington, there may indeed be an increase in overall playing numbers, certainly in the junior ranks of the city.

Here at Island Bay, there have been some significant happenings occurring in the off-season. Led by Gary Oysterman (the father of Anton and Eddie Gooseterbarn) we mean Gary Oosterbaan, the Wakefield Park Development project has made strident progress.

Led by IBUAFC juniors and seniors, in conjunction with Wellington City Council, the project needs your support, so check out the website and sign up to the mailing and support list at <http://www.wakefieldpark.org.nz/contact.html>

Basically, it could lead to artificial fields @ Shark Park within a few years. No more Wakefield Bobble, no more cancelled trainings and games. In collaboration with our friends at Island Bay Softball, other football clubs and potentially other sporting and community groups a 'hub' recreational facility would be in place, with constant usage throughout the week. Its exciting stuff.

We welcome new committee members Nick 'Pascal Cygan' Goodall and Vikki Mills (daughter of former IBUAFC 1st team coach Brian, sister to current Shark Kevin), Dave 'ginger hard man' Graham and Jan 'Chemo' Chemo (surname too long for print, its very Polish) to the show.

These able bodied and minded (ok, only in Vikki's case) community volunteers will be assisting the club in World Cup year, with sponsorship generation and clubroom duties amongst some of the various roles they are doing. Thanks for volunteering all of you.

AWFUG is hoping we have some hum-dinger parties this season, and generate decent turnover. This means more footballs, new strips and the likes for all teams at the club.

AWFUG will highlight and interview this season some club stalwarts, have a look at the World Cup (and predict all that will happen), not to mention have a look at our U19 squad and some great recent achievements.

We congratulate U19 players Joss Knol and Caleb Hilbron who made the Capital Football Dallas Cup team, check out their results here: http://www.dallascup.com/general-info/index_E.html or 'kiwi' updates here: http://www.soccer.org.nz/index.php?page=dallas_cup

Surely only in America, the field they play on is called Pizza Hutt Park, hahahahaha!

In other breaking news, we congratulate Cameron Lidstone who was called into the NZ Secondary Schools team to tour UK and Ireland in April. A fantastic result for Cameron and he will represent NZ with pride as they have full internationals versus Scotland, Northern Ireland, Ireland, England and Wales. There are other fixtures versus youth sides of professional teams and FA selection teams.

James Eadie also made the final trial squad, however as he has left secondary school it is likely that factored against him. AWFUG can confirm that his bowl cut haircut had no influence in the selectors' final decision.

A strong preseason for the sharks recently saw the first team squad (yes squad) achieve a notable second place in the final of the Hilton Petone pre season tournament.

Merrick's motley mob had a rousing (and arousing) 6-2 final hit out win versus Olympic 2^{nds} at the weekend as well, a good start to the league will be essential for this team, and avoid the drama of last season. Although the play off game was fun mind you.

Finally, we welcome all Brooklyn Northern United (BNU) players, coaches and supporters to the Wakefield Clubrooms for the 2010 season.

In the off season, both clubs agreed to undertake a history making facility share, as BNU currently have no set clubrooms, having previously used the Mornington Golf Club facilities.

It is a first for the city, both clubs want this to work and for that, you as supporters and players have a key role in supporting it. The ideal is to create a win-win situation for both clubs.

A commonly asked question revolves around identity. Both clubs will retain their full identity; it is a clubroom facility share agreement to benefit our sport and the respective clubs.

We hope the supporters and players of both clubs will respect and patronise the functions hosted by the other, and with the traditional ripper speeches BNU has to offer coming to the clubrooms, after match speeches should be A) longer and B) funnier.

Don't forget women's football on Sundays @ Shark Park.

So, here's to a long (minimal cancellations!), prosperous season to all IBUAFC Shark squads, may the old onion bag ripple frequently for you and your team!
